Case Study

Streamlining Supply Chain Management with SAP Ariba
for a Leading American Food Company

Client

A top-selling American food company specializing in dairy products, yogurt, and creamers.

Key Challenges

Decentralized sourcing materials mechanism, causing time-consuming and error-prone order tracking

Limited insight from existing reports and dashboards

Inefficient reporting

No single solution to accommodate all suppliers

Our Solution

Upgraded SAP Ariba Supply Chain Collaboration solution to leverage industry best practices and deployed SAP's Supplier Collaboration Platform

Implemented standard Purchase Order, Purchase Order confirmation, Advance Shipping Notification, Goods Receipt Notification, Vendor Invoice, and Payment Status

Enabled client to maintain both portal and B2B channels depending on supplier readiness

Business Benefits

Phased onboarding of suppliers to the SAP Ariba Platform, providing a single source of information for both the client and suppliers

SAP Ariba's standard dashboard offering, which allows users to customize tracking and reporting requirements, enhancing efficiency

About LTIMindtree

LTIMindtree is a global technology consulting and digital solutions company that enables enterprises across industries to reimagine business models, accelerate innovation, and maximize growth by harnessing digital technologies.
