This Notice does not form part of any contract of employment or other contract to provide services. It covers Personal Data and Personal Information disclosed by you which is Processed by LTIMindtree during the course of your interaction with us.

**Role:** LTIMindtree acts as a Data Controller (as defined below) with respect to any Personal Data and Personal Information it holds about you. LTIMindtree is responsible for ensuring that it uses Personal Data and Personal Information in compliance with the Data Privacy Laws. The relevant entities that may act as the Data Controller are listed in “With whom we may share your Personal Data” section of this Notice.

We need to keep and process data about you for acceptable business and security purposes, for complying with legal obligations and for record keeping purposes. The data we hold, and process will be used for management, operational and administrative purposes only. We will keep and use it to enable us to run the business and manage our relationship with you effectively, lawfully and appropriately, whilst you would be associated with us, at the time when your association ends and after you have left us.

## Definitions

The meaning of some of the terms in use in the Notice are explained below:

Term	Description
Personal Data	Means any information relating to an identified or identifiable natural person (“Data Subject”); Any information which constitutes “personal data” or “personal information” of Data Subject under the applicable Data Privacy Laws, including information which can reasonably associate or link to an identifiable natural person is one who can be identified, directly or indirectly, in particular by reference to an identifier including but not limited to a name, an identification number, location data, Taxpayer Registration number (“CPF/MF”), Identity Card (“RG”), an online identifier or to one or more factors specific to the physical, physiological, genetic, mental, economic, cultural or social identity of that natural person. This includes the defined term of personal information as defined in Canadian data protection laws. Personal Data includes ‘personal information’ as defined in the Privacy Act 1988 (Cth) (Australia). With respect to Chinese residents, Personal Data does not include information that has been anonymized. LTIMindtree does not collect Personal Data from Chinese residents that are under the age of 14.
Personal Information (applicable only to California residents)	Information pertaining to residents of California that identifies, relates to, describes, is reasonably capable of being associated with, or could reasonably be linked, directly or indirectly, with a particular consumer or household, but does not include information that is lawfully made available from federal, state or local government records, nor does it include “de-identified” or “aggregate customer information” as those terms are defined pursuant to the CCPA

(under US laws)	Regulations. LTIMindtree does not collect Personal Information from California residents that are under the age of 16.				
Sensitive Personal Data (including specific categories of Personal Data under GDPR)	Pursuant to Article 9(1) GDPR, specific categories of personal data refer to the processing of personal data revealing racial or ethnic origin, or political opinions, or religious or philosophical beliefs, or trade union membership, or the processing of genetic data, biometric data for the purpose of uniquely identifying a natural person, or data concerning health or data concerning a natural person's sex life or sexual orientation. Sensitive Personal Data includes 'sensitive information' as defined in the Privacy Act 1988 (Cth) (Australia). .				
	For Mexico only: In addition to the preceding, any other categories of personal data that touch the most private areas of the data subject's life, or whose misuse might lead to discrimination or involve a serious risk for the data subject are also considered as sensitive data.	For Switzerland only: The definition of "a natural person's sex life or sexual orientation" also includes the intimate sphere (instead of the sexual life/orientation), social security measures, administrative or criminal proceedings and administrative or criminal sanctions.	For Chinese residents only: In addition to the preceding, the term also includes other Personal Data of which the leakage or illegal use could easily lead to the violation of the personal dignity of a natural person or harm to personal or property safety, such as information on biometric identification, financial accounts, personal whereabouts and personal information of minors under the age of 14.	With respect to California residents, in addition to the preceding, the term also includes government identification numbers, financial numbers or financial account access credentials, precise geolocation, and the contents of communications to which LTIMindtree is not an intended.	In Denmark only: Information on social security numbers and criminal offences are not considered as sensitive personal under the GDPR but constitutes its own category of information. Processing of this requires specific legal basis under the Danish data protection act.

Process, Processes, Processed or Processing	Means any operation or set of operations which is performed on Personal Data or Personal Information, or on sets of Personal Data or Personal Information, whether or not by automated means, such as collection, recording, organisation, structuring, storage, adaptation or alteration, retrieval, consultation, use, disclosure by transmission, dissemination or otherwise making available, alignment or combination, restriction, treatment, erasure or destruction.
Consent	Means any freely given, specific, informed and unambiguous indication of the Data Subject's wishes by which the Processing of their Personal Data, Personal Information and/or Sensitive Personal Data via a statement or by a clear affirmative action, signifies agreement to the processing of Personal Data, Personal Information and/or Sensitive Personal Data relating to him or her.
Data Subject	Means to a particular natural person (i.e. an identified or identifiable natural person) to whom Personal Data relates. In case of a minor/ individual with mental disabilities, the data subject would be represented by a legal representative or the holder of parental responsibility (parent/ guardian). For the purpose of clarity of this Notice, "Data Subject" means LTIMindtree current and previous employees, prospective candidates, current, prospective and previous customer personnel, current and previous partner/vendor personnel, website visitors, sub-contractors and visitors. LTIMindtree does not generally process Personal Data/ Personal Information and Sensitive Personal Data from Data Subjects that are under the age of 18 except in specific cases (See. "Personal Data of Individuals below 18 years" section). For the purpose of CCPA Regulations, Data Subject shall include California residents. With respect to Chinese residents, LTIMindtree does not collect Personal Data from Chinese residents that are under the age of 14.
Data Controller	Means the natural or legal person, organization, public authority, agency or other body which, alone or jointly with others, determines the purposes and means of the processing of personal data; where the purposes and means of such processing are determined by national or applicable laws, the controller or the specific criteria for its nomination may be provided for by national or applicable laws.
Data Processor	Means a natural or legal person, organization public authority, agency or other body which processes Personal Data on behalf of the Data Controller
Third Party	In relation to Personal Data or Personal Information means a natural or legal person, organization, public authority, agency or body other than the data subject, controller, processor and persons who, under the direct authority of the Data Controller or Data Processor, are authorized to process personal data;
"Sell," "selling," "sale," or "sold,"	Means selling, renting, releasing, disclosing, disseminating, making available, transferring, or otherwise communicating orally, in writing, or by electronic or other means, a consumer's Personal Data or Personal Information by the business to another business or a Third Party for monetary or other valuable consideration.

"Share " or "Sharing" (For California residents)	Means sharing, renting, releasing, disclosing, disseminating, making available, transferring, or otherwise communicating orally, in writing, or by electronic or other means, a consumer's personal Information by the business to a third party for cross-context behavioral advertising, whether or not for monetary or other valuable consideration, including transactions between a business and a third party for cross-context behavioral advertising for the benefit of a business in which no money is exchanged.
--	--

Please refer to the Global Data Privacy Statement found [here](#) on [www.LTIMindtree.com](http://www.LTIMindtree.com) for terms that have not been defined above. Please also refer to the relevant jurisdiction specific Data Privacy Laws for all other terms.
