

LTM Wins Two Google Cloud Partner of the Year Awards for 2026

Recognised for its Media & Entertainment Industry Solutions and Infrastructure Modernization at Scale

Mumbai, India – April 22, 2026: [LTM](#), the Business Creativity partner to the world's largest enterprises, announced today that it has received two Google Cloud Partner of the Year 2026 Awards. LTM is being recognized for its achievements in the Google Cloud ecosystem, helping joint customers to drive high-impact, scalable cloud transformations.

LTM won the Google Cloud Partner of the Year Award in the Media & Entertainment category by modernizing a global media company's complex data estate with BigQuery. The transformation improved speed, lowered costs, and provided a scalable foundation, enabling real-time analytics and AI-ready pipelines. This approach offers a repeatable model for data modernization in Media and Entertainment industry.

Additionally, LTM was honoured with another Google Cloud Partner of the Year Award for Infrastructure Modernization in North America and the transformation of the ERP landscape for a global leader in healthcare services. This resulted in faster time to market, modern scalable ecosystem with ability to advance AI led innovation and business growth across the company's global footprint.

“Receiving two Google Cloud Partner of the Year Awards demonstrates our proficiency and dedication to achieving client objectives. Our case studies illustrate how we assist enterprises in modernizing data, infrastructure, and ERP systems through AI-driven insights, while establishing robust digital foundations with Google Cloud,” said **Venu Lambu, Chief Executive Officer and Managing Director, LTM**.

“The Google Cloud Partner Awards honor the strategic innovation and measurable value our partners bring to customers,” said **Kevin Ichhpurani, President, Global Partner Ecosystem and Channels, Google Cloud**. “We are proud to name LTM a 2026 Google Cloud Partner Award winner, celebrating their role in driving customer success over the last year.”

These recognitions highlight LTM's commitment to advancing global modernization, speeding cloud adoption, and fostering innovation across industries through a strong partnership with Google Cloud.
