

LTM Recognized as a Global Leader in ISG Provider Lens®—Snowflake Ecosystem Partners 2026

Mumbai, India – July 9, 2026: LTM, the Business Creativity partner to the world's largest enterprises, has been recognized as a Global Leader in the ISG Provider Lens®—Snowflake Ecosystem Partners 2026 across two strategic service categories: Modernization and AI/ML Enablement Services and Managed Data and Optimization Services.

The recognition highlights LTM's ability to help enterprises modernize data estates, operationalize AI at scale, and optimize Snowflake environments through engineering-led transformation, industry-focused innovation, and intelligent managed services. The 'Leader' positioning reflects LTM's strength in delivering end-to-end Snowflake capabilities that accelerate business value realization across data modernization, AI enablement, governance, observability, and optimization.

Why LTM Stands Out:

- **AI-driven Data Foundations:** Enabling organizations to operationalize AI through Snowflake-native capabilities, platform engineering, and responsible AI deployment.
- **Engineering-led Modernization:** Accelerating transformation with proven migration frameworks, automation assets, and industry-focused accelerators.
- **Industry-centric Innovation:** Delivering domain-focused solutions across industries to address business challenges through data and AI.
- **Automation, Observability and FinOps Excellence:** Driving continuous optimization through intelligent operations, proactive monitoring, and cost governance.
- **Snowflake Ecosystem Leadership:** Bringing together deep Snowflake expertise, innovation-led go-to-market strategies, and strong ecosystem collaboration.

"LTM's strength lies in its ability to translate Snowflake's rapidly evolving platform capabilities into operational enterprise solutions. Its growing emphasis on engineering frameworks, AI-enabled delivery, and domain-led solution development reflects a practice that is increasingly focused on helping enterprises operationalize and adopt Snowflake capabilities" said **Gowtham Sampath, Assistant Director and Principal Analyst, ISG.**

"We are proud to be recognized as a Leader in the ISG Provider Lens® Snowflake Ecosystem Partners 2026 report. This recognition reflects our commitment to helping clients build data foundations, accelerate AI adoption, and maximize value from their Snowflake investments," said **Krishnan Iyer, Chief Growth Officer, LTM.**

As enterprises increasingly prioritize AI adoption and data foundations, LTM continues to invest in Snowflake-powered capabilities, accelerators, and solutions that help organizations build scalable, governed, and AI-ready data ecosystems.
